

SaniGLAZE Franchise Benefits at a Glance

The building services business has always been a tough place to grow your bottom line, and it's not getting any easier. Everyone is looking for that competitive edge and big opportunity.

Give your business the ultimate competitive edge by providing your customers with services that your competitors can't match. There is no better time than now to look into the SaniGLAZE System and set yourself apart!

Instant Brand Recognition

We have dedicated our professional lives to being the best at restoring, maintaining and preserving tile and other hard surfaces in commercial facilities. Our franchisees are more than just service providers, our mission is helping you become the highest regarded innovators and educators in our industry.

Proprietary Processes & Products

The quality of SaniGLAZE Processes are known across the country because both the Products and the techniques used by Service Providers have been designed and tested to work together.

24/7 Training and Support

We believe our success is worth sharing. We believe your well-being is just as important as the success of your company. You'll feel it from day 1. From technical support, to sales to the growing your franchise business, our promise is that coaching and mentorship will always be accessible and available.

In-House Marketing and Lead Generation

Our in-house team of marketers and sales professionals are dedicated to educating your clients and building content that works for you. It all adds up to lead generation and real time data on the sales qualified leads for your service area.
